

WELCOME TO SFPGA

SUMMER 2017 TEAM GOLF

Team Golf Overview (see below information to register through the SFPGA):

Team Golf is a great way to get kids involved with the game of golf in a team environment. The basic premise is to create a team atmosphere for young golfers, just like what you see in youth soccer and baseball leagues. Similar to these sports, we will have team practices where golf instruction is provided by our PGA Professionals.

Team Golf tournaments will consist of six players from each team that form three (3) two-person teams. Each two-person team will compete from their age/gender appropriate tee. The format will be a 9-hole scramble. The Scramble format is when each player will hit from a location and the team will choose the best shot and continue play until the ball is holed.

- Annual Membership fee \$50
- Cost Per Tournament \$25

Practice costs: \$275 for 10 team practices. FOLLOW this link to make payment. If you do not have an account you will be asked to follow the link to "Login in to Purchase"

Practice will be held on Mondays and Tuesdays. If your child cannot make a practice he/she can do a morning of camp (9-10:30AM) (if space available). Let your coach know if you will miss any practices so that arrangements can be made to reschedule.
